

## Boarding instructions.

Due to the fact that NAB is supplying the Ingenico iCT220 for this POS system, **you must follow these steps to ensure that the terminal is set up as a semi-integrated terminal** and not set up for standalone use. If you have any questions during the boarding process, please contact the POS PROS at 866.694.5111.

1

Go to [partner.paymentshub.com](https://partner.paymentshub.com).

2

Start a new application.

3

Select the Ingenico iCT220 as the terminal type (please make sure to order as many as the merchant needs).

4

Check the box next to "Semi-Integrated."

5

Choose Velocity as the payment gateway.

6

Select HotSauce Technologies 7 as the software.

7

Set up Auto Batch during enrollment.
